Garden plots are open from dawn until dusk between April and October. Plots are available on a first come/first served basis. Each plot is 20 ft. x 30 ft. Gardeners are responsible for the maintenance of their garden plot. Gardens will be checked periodically for maintenance. Why Choose Friendship Station Preschool?

"The staff at Friendship Station are incredibly kind and knowledgeable; they knew just what my little guy needed to get preschool off to a great start. He has matured so much through learning from his teacher and his friends there. Kids' Zone Before & After School Program

Program Philosophy

Kids' Zone provides opportunities for all participants to develop a positive self-image through experiences in a fun, friendly, structured and safe environment. Participants will develop their social skills through interaction and different activities including problem-solving, teamwork, and following basic directions.

This program creates a stimulating environment where children are able to choose their own activities and projects that allow them to learn and grow at their own rate. Our goal is to provide a program that strongly supports the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. "Character Counts" and benefits of a healthy lifestyle will be incorporated in all aspects of Kids' Zone.

A basic daily schedule will be followed that may include physical and team-building activities, arts and crafts, a daily snack and homework time. Schedules will vary based on needs of children and space available. **Kids' Zone is available before school from 6:30 - 8:00 am and after school from 2:15 - 6:00 pm. (KW)**

PARENT NOTES

Visit Kids' Zone at genevaparks.org to download Forms, Parent Newsletters, Activity, and Snack Calendars

Dispensing Medication Policy

Strict policies have been put in place regarding the dispensing of medication to participants. These policies must be followed if a participant is required to receive medication while in the program. This includes restrictions for any over the counter medications (including cough drops and pain relievers) and any prescription medication. **Parents/Guardians are required to complete a "Request to Administer Medication Form" for any and all medication to be administered to participants by Kids' Zone staff or by the participants themselves. This form requires a physician's signature.**

- All medication is required to be in the original container whose prescription label must include: patient's name, physician's name, name of pharmacy, medication and complete dosage information.
- Each day the proper dosage should be sent in the original container. If original container is not available, parent should try to obtain a new one from physician or pharmacy.
- Parent/Guardian must sign and complete a **Request to Administer Medication form**. This form requires a physician's signature.
- Medication will be stored in a secure area at temperature consistent with package instructions.
- Participants must have a medical release form for medication such as inhalers and Epi-pen.
- With the exception of Epi-pens and inhalers, only oral medicine may be administered. Staff may not dispense suppositories or shots (diabetic).

 The main parent/guardian whose signature is on the emergency form will be the only person allowed to make changes regarding attendance, add or remove authorized person from the emergency form or receive any information regarding billing and payments.

 **Please note: the main parent must grant permission to the secondary parent/guardian listed to have full access to participants enrollment status, access to change information, and schedule status.** Only people on your child's emergency form will be able to sign your child out of the program. Authorized pick-ups may include high school aged family/friends, however, they must be able to show a current photo ID.

Discipline Policy

It is our philosophy for discipline to teach participants to take responsibility for their own actions. We try to accomplish this through using specific directions, redirecting a child, positive reinforcements, motivation and leading by example. Since each participant has different ways of learning, several different methods may be used.

Extracurricular After School Activities

Children may take part in extracurricular activities held at their schools (scouts, clubs, etc.) To do this, a parent must notify the Site Coordinator in writing by completing an "Extracurricular Activity Form" for each activity the child will be attending. These forms are available at each site. The person in charge of the extracurricular activity is responsible for bringing the child back to Kids' Zone at the end of the activity.

Newsletter and Activity/Snack Calendar

A monthly newsletter and activity / snack calendar are available at your child's site and online at genevaparks.org. **Children with food allergies or restrictions are always welcome to bring their own snack.** We follow the District 304 allergy plan.

Homework Policy

There is 30 minutes of scheduled quiet time each day for homework. **Please note: it is not Kids' Zone's responsibility to ensure that any child does their homework.** The staff is happy to remind and encourage children to complete their homework, but staff will not force them to do so. Also, please note, our staff is not available to individually tutor children.

Youth Community Theater

Take a trip back in time to when young Sherlock Holmes was a student at Butterworth Academy.

Two girls are kidnapped from the school, and John Watson hopes his friend and classmate will be able to solve his first crime. Despite a psychic, Madame Lulu, appearing on the scene and guaranteeing to find the students, the bumbling, inept Constable Bing begins his own investigation.

When the psychic suddenly finds the girls after the parents have paid the large fee demanded in the mysterious ransom note, Sherlock is suspicious. He sets a trap to snare the criminal, launching his career as a great detective who can solve crimes even before the police can.

Young actors will love the fun action and dialogue of this intriguing mystery that delightfully brings together many well-known characters; directors will love the large number of female parts, including the two largest roles in the show.

Donate a tree in the name of someone special or in honor of a special occasion. Trees will be planted in one of our beautiful parks.

Extraordinary events including births, anniversaries, weddings, retirements and graduations could be commemorated through the Geneva Park District's Living Tree Program.

Prices for the trees range from \$250 to \$300, and include planting and maintenance. For the health of the trees, planting is done in the spring and fall.

A memorial plaque can be ordered and installed at an additional cost. Plaque prices begin at \$125. A bench can be installed along with, or in lieu of, a tree at an additional cost as well.

Donate a tree today!

Visit genevaparks.org, click on the Get Involved Tab, go to Living Tree Program and download the Living Tree Order Form.

GENEVA PARK DISTRICT WAIVER AND RELEASE OF ALL CLAIMS

The Geneva Park District (the "Park District") is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for recreational activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Depending on the particular activity, certain risks and dangers may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unprofessional conduct, lack of safety equipment, inadequate or defective equipment, failure in supervision and instruction or officiating, and premises defects. It is impossible for the Park District to guarantee absolute safety.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in signing up and participating in the Program(s), you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with the program(s)/activity(ies) (including transportation services, when provided). I recognize and acknowledge that there are certain risks of physical injury to participants in the program(s)/activity(ies), and I voluntarily agree to assume the full risk of any injuries, damages or loss, regardless of severity that my minor child/ward or I may sustain as a result of participating in any and all activities connected with or associated with the program(s)/activity(ies). I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Park District, including its officials, agents, volunteers and employees (hereinafter collectively referred as "Parties"). I do hereby fully release and forever discharge the Parties from any and all claims for injuries, damages or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with the program(s)/activity(ies). I further indemnify and hold harmless the Park District. I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, my on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature. **PARTICIPATION WILL BE DENIED If the signature of adult participant or parent/guardian and date are not on this waiver.**

PHOTO/VIDEO DISCLAIMER: All participants permit the taking of photos and/or videos of themselves and their child/ward during Park District activities, programs, events, and use of parks and facilities for publication and use as the Park District deems necessary in marketing materials and social media avenues. If you and/or your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

Discipline Procedures

Please keep in mind, two verbal warnings will be given before becoming a first offense.

1st Offense:

A warning letter will be sent home to a parent or guardian, or the participant if he or she is an adult, to be signed and returned. The parent/participant will also be called by the Program Instructor and/or Recreation Supervisor.

2nd Offense:

Suspension -- the participant will be suspended for three days following the offense. The parent/participant will be notified via the phone or upon parental pick-up and a written explanation will be sent home by the Recreation Supervisor.

In cases when a program only meets for one day, participants will be given two verbal warnings. If the behavior is not corrected after two warnings, the participant will be removed from the class.

Depending on the situation and the degree of the offense, the participant may be permanently dismissed from the program following the 1st, 2nd, or 3rd offense. There will be no refunds for days missed due to disciplinary infractions. NOTE: Parents of program participants are responsible for ANY damages caused by their child.

Program Cancellation Information

Program supervisors begin reviewing class enrollment and canceling classes that do not meet minimum enrollment approximately ONE WEEK prior to the class start date. It is extremely important that you try to register for class choices no later than one week before they begin. All participants registered in cancelled programs will be notified by the Geneva Park District staff and will receive a full refund.

Program Limitations

Each program at the Geneva Park District has an established minimum and maximum number of possible registrants. These numbers are set to guarantee the highest quality program we can offer. The facility, student/teacher ratio, and the nature of the program are considered when setting program registration minimums and maximums. Programs that do not meet the minimum number of registrants may be cancelled. Please refer to the Program Cancellation section for more information. Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate recreation supervisor.

Receipts

We send registration confirmations via email! Please ensure that we have your current email address on file. Your email receipt will act as the only form of confirmation for your registration. If we encounter a problem with your registration, you will receive a phone call.

Partial school closures or late starts will result in the Geneva Park District making day-of determinations and contacting all participants in the event of any class cancellations. Major weather cancellations/closures of all Geneva Park District programs can be seen at emergencyclosingcenter.com, genevaparks.org, and on the Geneva Park District Facebook page and through the Rainout app.

Placement on a waiting list is encouraged. Individuals placed on a waiting list will be contacted if any additional program space becomes available.

Waiver Form

The Park District is unable to assume responsibility for injuries or accidents occurring at programs, activities, parks, and facilities. Such insurance would make program user fees prohibitive. TRI-CITIES SOCCER

TEAM • COMMUNITY • SUCCESS

The **Tri-Cities Soccer Association (TCSA)** was founded in 1977 to provide a fun and healthy environment for area youth, from 4-18 years old, to play soccer. Today, it has grown to be one of the largest independent youth soccer organizations in Northern Illinois with great support from the local park districts. We offer families three levels of participation: **RECREATIONAL**, **CLASSIC** and **PREMIER**.

Get started in early childhood by joining our **HAND IN HAND** program, TCSA's pre-school recreational program for 4-5 year old participants. **RECREATIONAL** team play begins in our U6 division (kindergarten) where small sided games ensure a positive learning experience and lots of time with the ball.

For more information on TCSA's offerings, please visit our website at www.tcsa.net, or call **630.377.1101**.
