COMMUNITY GARDENING COVID-19 BEST PRACTICES

Especially now, community gardens are a wonderful place to spend time outside, exercise, produce food, and stay connected while maintaining safe social distancing. At the garden, please follow the best practices as offered by the CDC (Center for Disease Control).

Best Practices

- **BE SMART. STAY 6-FEET APART.** Maintain a 6-foot social distance between people at all times.
- Masks do not protect the wearer from getting the virus; however, they are helpful when worn by sick people to prevent the spread of disease.
- Consider wearing disposable gloves to avoid picking up germs from spigots, etc.
- Bring your own tools from home and do not share tools.
- Do not store tools or watering cans at the garden this season.
- Wash your tools in soapy water upon returning home and dry thoroughly.

Plan Ahead

- Be prepared for the possibility that there may be limited access to the garden.
- Mulch now to prevent weeds and reduce soil moisture loss.
- Use row covers for insect control when feasible.
- Stay ahead of seasonal tasks.

IMPORTANT!

Anyone displaying symptoms of COVID-19, or who has come in contact with someone who has symptoms of COVID-19, should NOT come to the garden.

Summer Registration Exclusively Online - Register Now and Pay Later!

During this time, the Geneva Park District is temporarily deferring payment for anyone registering for summer 2020 events and programs. Once registration opens and appropriate class sizes have been determined, participants on the waitlist will be moved to active status in the order in which those registrations were received. An additional receipt is emailed to the primary email address on file indicating the balance due.

Please note: not all waitlisted individuals are guaranteed a spot in the program. Payment must be made within 48 hours.

For more information, turn to page 102

Looking Ahead!

As we gear up for summer, there are a number of park district projects on the horizon for our residents to enjoy!

Construction continues on the Trail at Peck Farm North. This project includes the addition and extension of over two miles of recreational trails. The trail also connects to adjacent neighborhoods, and better connects residents to the southside of Peck Farm Park as well as to the middle school campus. We now have over 5 miles of trails winding through the beautiful peck farm park campus!

The project will also include a solstice gathering space promoting interpretive teaching of the seasons, a council ring with accessible seating and a sundial in the center, a picnic shelter for resting and enjoying beautiful wetland views and an overlook deck for spectacular bird watching! Sandhill cranes are a seasonal favorite at the site!

There are three new playground replacements on the horizon! Those include the playgrounds at 4th Street, Bricher, and the new library location (corner of 6th and Campbell). Once we re-open, pack a lunch and visit all three!

SWIM LESSONS - AT A GLANCE

Which class is right for my child?

Early childhood and youth swim lessons follow the Starfish Swim/Stroke School program, a nationally-recognized swim instruction curriculum developed by the Starfish Aquatics Institute.

Benchmarks are established at each stage of the program to teach swimming and safety skills. Register your child for the program the corresponds with his/her age.

StarBabies® & StarTots® - 6-36 months w/parent

Starfish Swim School® for Preschoolers - 3-5 years

Starfish Swim School® for Youth - 6-12 years

Starfish Swim Stroke School® - Students ages 6-12 years who have achieved the Green Starfish Swim School stage.

Starfish Swim Team® - Students who have completed the Starfish Swim Stroke School®; who can swim 25 yards freestyle with side-breathing; who need to build endurance; and who want to learn turns, starts, and team-training techniques.

Students will be tested on the first day to determine what stage they should start in. Students will advance to the next stage once they have completed benchmark skills. They may advance through more than one stage during a session. (JAK)

Kids' Zone Before & After School Program

Program Philosophy

Kids' Zone provides opportunities for all participants to develop a positive self-image through experiences in a fun, friendly, structured and safe environment. Participants will develop their social skills through interaction and different activities including problem-solving, teamwork, and following basic directions.

This program creates a stimulating environment where children are able to choose their own activities and projects that allow them to learn and grow at their own rate. Our goal is to provide a program that strongly supports the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. "Character Counts" and benefits of a healthy lifestyle will be incorporated in all aspects of Kids' Zone.

A basic daily schedule will be followed that may include physical and team-building activities, arts and crafts, a daily snack and homework time. Schedules will vary based on needs of children and space available. **Kids' Zone is available before school from 6:30 - 8:00 am and after school from 2:15 - 6:00 pm. (KW)**

PARENT NOTES

Visit Kids' Zone at genevaparks.org to download Forms, Parent Newsletters, Activity, and Snack Calendars

Dispensing Medication Policy

Strict policies have been put in place regarding the dispensing of medication to participants. These policies must be followed if a participant is required to receive medication while in the program. This includes restrictions for any over the counter medications (including cough drops and pain relievers) and any prescription medication. **Parents/Guardians are required to complete a "Request to Administer Medication Form" for any and all medication to be administered to participants by Kids' Zone staff or by the participants themselves. This form requires a physician's signature.**

- All medication is required to be in the original container whose prescription label must include: patient's name, physician's name, name of pharmacy, medication and complete dosage information.
- Each day the proper dosage should be sent in the original container. If original container is not available, parent should try to obtain a new one from physician or pharmacy.
- Parent/Guardian must sign and complete a **Request to Administer Medication form**. This form requires a physician's signature.
- Medication will be stored in a secure area at temperature consistent with package instructions.
- Participants must have a medical release form for medication such as inhalers and Epi-pen.
- With the exception of Epi-pens and inhalers, only oral medicine may be administered. Staff may not dispense suppositories or shots (diabetic).

The main parent/guardian whose signature is on the emergency form will be the only person allowed to make changes regarding attendance, add or remove authorized person from the emergency form or receive any information regarding billing and payments.

Please note: the main parent must grant permission to the secondary parent/guardian listed to have full access to participants enrollment status, access to change information, and schedule status. Only people on your child's emergency form will be able to sign your child out of the program. Authorized pick-ups may include high school aged family/friends, however, they must be able to show a current photo ID.

Discipline Policy

It is our philosophy for discipline to teach participants to take responsibility for their own actions. We try to accomplish this through using specific directions, redirecting a child, positive reinforcements, motivation and leading by example. Since each participant has different ways of learning, several different methods may be used.

Extracurricular After School Activities

Children may take part in extracurricular activities held at their schools (scouts, clubs, etc.) To do this, a parent must notify the Site Coordinator in writing by completing an "Extracurricular Activity Form" for each activity the child will be attending. These forms are available at each site. The person in charge of the extracurricular activity is responsible for bringing the child back to Kids' Zone at the end of the activity.

Newsletter and Activity/Snack Calendar

A monthly newsletter and activity / snack calendar are available at your child's site and online at genevaparks.org. **Children with food allergies or restrictions are always welcome to bring their own snack.** We follow the District 304 allergy plan.

Homework Policy

There is 30 minutes of scheduled quiet time each day for homework. **Please note: it is not Kids' Zone's responsibility to ensure that any child does their homework.** The staff is happy to remind and encourage children to complete their homework, but staff will not force them to do so. Also, please note, our staff is not available to individually tutor children.

GENEVA PARK DISTRICT WAIVER AND RELEASE OF ALL CLAIMS
 The Geneva Park District (the "Park District") is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for recreational activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK
 Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Depending on the particular activity, certain risks and dangers may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, lack of safety equipment, inadequate or defective equipment, failure in supervision and instruction or officiating, and premises defects. It is impossible for the Park District to guarantee absolute safety.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK
 Please read this form carefully and be aware that in signing up and participating in the Program(s), you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with the program(s)/activity(ies) (including transportation services, when provided). I recognize and acknowledge that there are certain risks of physical injury to participants in the program(s)/activity(ies), and I voluntarily agree to assume the full risk of any injuries, damages or loss, regardless of severity that my minor child/ward or I may sustain as a result of participating in any and all activities connected with or associated with the program(s)/activity(ies). I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Park District, including its officials, agents, volunteers and employees (hereinafter collectively referred as "Parties"). I do hereby fully release and forever discharge the Parties from any and all claims for injuries, damages or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward arising out of, connected with, or in any way associated with the program(s)/activity(ies). I further indemnify and hold harmless the Park District. I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, my on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature. *PARTICIPATION WILL BE DENIED If the signature of adult participant or parent/guardian and date are not on this waiver.*

PHOTO/VIDEO DISCLAIMER: All participants permit the taking of photos and/or videos of themselves and their child/ward during Park District activities, programs, events, and use of parks and facilities for publication and use as the Park District deems necessary in marketing materials and social media avenues. Discipline Procedures

Please keep in mind, two verbal warnings will be given before becoming a first offense.

1st Offense:

A warning letter will be sent home to a parent or guardian, or the participant if he or she is an adult, to be signed and returned. The parent/participant will also be called by the Program Instructor and/or Recreation Supervisor.

2nd Offense:

Suspension -- the participant will be suspended for three days following the offense. The parent/participant will be notified via the phone or upon parental pick-up and a written explanation will be sent home by the Recreation Supervisor.

In cases when a program only meets for one day, participants will be given two verbal warnings. If the behavior is not corrected after two warnings, the participant will be removed from the class.

Depending on the situation and the degree of the offense, the participant may be permanently dismissed from the program following the 1st, 2nd, or 3rd offense. There will be no refunds for days missed due to disciplinary infractions. NOTE: Parents of program participants are responsible for ANY damages caused by their child.

Errors/Typos in Brochure

Though we try our best, due to the large amount of information available in the Geneva Park District Program Guide, errors after publication may occur. We apologize for any inconvenience this may cause. When errors do occur, our staff will advise you of the changes as quickly as possible. We will also attempt to keep information on our website, genevaparks.org, as current as possible. Thank you for your patience and understanding.

Fit For Kids

Fit For Kids is a county-wide initiative to build a culture of wellness by providing easy and safe access to affordable physical activity where people live, work, and play. The Geneva Park District, along with Kane County, proudly support the Fit for Kids initiative. Each season we provide over 3,000 recreational programs for kids of all ages.

Participants will not be registered for programs without payment. Program fees will not be pro-rated for late enrollment.

Photo/Video Disclaimer

All participants permit the taking of photos and/or video of themselves and their children at Park District activities, programs, events, and facilities for publication and use as the Park District deems necessary in all marketing materials and social media avenues. If you and your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

Program Cancellation Information

Program supervisors begin reviewing class enrollment and canceling classes that do not meet minimum enrollment approximately ONE WEEK prior to the class start date. It is extremely important that you try to register for class choices no later than one week before they begin. All participants registered in cancelled programs will be notified by the Geneva Park District staff and will receive a full refund.

Program Limitations

Each program at the Geneva Park District has an established minimum and maximum number of possible registrants. These numbers are set to guarantee the highest quality program we can offer. The facility, student/teacher ratio, and the nature of the program are considered when setting program registration minimums and maximums. Programs that do not meet the minimum number of registrants may be cancelled. Please refer to the Program Cancellation section for more information. Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate recreation supervisor.

Receipts

We send registration confirmations via email! Please ensure that we have your current email address on file. Your email receipt will act as the only form of confirmation for your registration. If we encounter a problem with your registration, you will receive a phone call.
