Kids' Zone Before & After School Program

Program Philosophy

Kids' Zone provides opportunities for all participants to develop a positive self-image through experiences in a fun, friendly, structured and safe environment. Participants will develop their social skills through interaction and different activities including problem-solving, teamwork, and following basic directions.

This program creates a stimulating environment where children are able to choose their own activities and projects that allow them to learn and grow at their own rate. Our goal is to provide a program that strongly supports the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. "Character Counts" and benefits of a healthy lifestyle will be incorporated in all aspects of Kids' Zone.

A basic daily schedule will be followed that may include physical and team-building activities, arts and crafts, a daily snack and homework time. Schedules will vary based on needs of children and space available. **Kids' Zone is available before school from 6:30 - 8:00 am and after school from 2:15 - 6:00 pm. (KW)**

SPECIAL REMINDER

Kids' Zone registration information for the 2020-21 school year will be published in the spring brochure, available in late February.

PARENT NOTES

Dispensing Medication Policy

Strict policies have been put in place regarding the dispensing of medication to participants. These policies must be followed if a participant is required to receive medication while in the program. This includes restrictions for any over the counter medications (including cough drops and pain relievers) and any prescription medication. **Parents/Guardians are required to complete a "Request to Administer Medication Form" for any and all medication to be administered to participants by Kids' Zone staff or by the participants themselves. This form requires a physician's signature.**

- All medication is required to be in the original container whose prescription label must include: patient's name, physician's name, pharmacy name, name of medication and complete dosage information.
- Each day the proper dosage should be sent in the original container. If original container is not available, parent should try to obtain a new one from physician or pharmacy.
- Parent/Guardian must sign and complete a **Request to Administer Medication form**. This form requires a physician's signature.
- Medication will be stored in a secure area at temperature consistent with package instructions.
- Participants must have a medical release form for medication such as inhalers and Epi-pen.
- With the exception of Epi-pens and inhalers, only oral medicine may be administered. Staff may not dispense suppositories or shots (diabetic).

 The main parent/guardian whose signature is on the emergency form will be the only person allowed to make changes regarding attendance, add or remove authorized person from the emergency form or receive any information regarding billing and payments.

 **Please note: the main parent must grant permission to the secondary parent/guardian listed to have full access to participants enrollment status, access to change information, and schedule status.** Only people on your child's emergency form will be able to sign your child out of the program. Authorized pick-ups may include high school aged family/friends, however, they must be able to show a current photo ID.

Discipline Policy

It is our philosophy for discipline to teach participants to take responsibility for their own actions. We try to accomplish this through using specific directions, redirecting a child, positive reinforcements, motivation and leading by example. Since each participant has different ways of learning, several different methods may be used.

Extracurricular After School Activities

Children may take part in extracurricular activities held at their schools (scouts, clubs, etc.) To do this, a parent must notify the Site Coordinator in writing by completing an "Extracurricular Activity Form" for each activity the child will be attending. These forms are available at each site. The person in charge of the extracurricular activity is responsible for bringing the child back to Kids' Zone at the end of the activity.

Newsletter and Activity/Snack Calendar

A monthly newsletter and activity / snack calendar are available at your child's site and online at genevaparcs.org. **Children with food allergies or restrictions are always welcome to bring their own snack.** We follow the District 304 allergy plan.

Homework Policy

There is 30 minutes of scheduled quiet time each day for homework. **Please note: it is not Kids' Zone's responsibility to ensure that any child does their homework.** The staff is happy to remind and encourage children to complete their homework, but staff will not force them to do so. Also, please note, our staff is not available to individually tutor children.

Sunset Dance Academy

The Sunset Dance Academy offers both classes and dance company opportunities for all ages and skill levels. Our affordable and inviting classes offer professional instruction in all styles of dance, and help guide the way for students to have fun, gain confidence, learn social skills, and expand their creativity.

The Sunset Dance Academy holds two recitals each year -- a Holiday Showcase and a Spring Recital. Costume fees for these recitals are included in dance class fees. Recitals are held in the Geneva High School Auditorium. Spring Recital information is printed in the Winter and Spring brochures.

Open enrollment for Sunset Dance Company is in August. *Turn to page 39 for details.*

Combo Classes

Combo classes give dancers an introduction to different dance styles each week. Level 2 of combo classes are by invitation only once the child has progressed through the original combo class.

Hip Hop

Hip Hop dancing emulates steps created by hip-hop culture, seen everywhere from music videos to dance teams.

Lyrical

Lyrical is a combination of ballet techniques and fluid jazz movements. Dancers will learn to dance with emotion and connectivity in their movements.

In Musical Theatre, dancers learn about famous choreographers, dances, and styles from classic and current musicals. Jazz dance introduces participants to new rhythms, steps, and movements in a fun and exciting atmosphere that will increase flexibility and strength.

Adult Community Theater

He & She

Enjoy the world premiere debut of *He and She*, by award-winning playwright, Pat Motto.

He and She is a warm and humorous exploration of the interaction between the sexes portrayed through several one-acts.

A pair of squabbling playwrights seem to blur the line between themselves and their characters. A couple meeting after a long absence dissect what went wrong those years ago. Two five-year olds confront modern gender roles. Longtime best friends ask the most fundamental question of all. What is love anyway?

About the Playwright

Patricia (Pat) Motto is an award-winning playwright from Elmhurst who has three completed full plays and several one acts under her belt. A production of her play, "The Cousins' Book Club" won major awards at the Watermelon One Act Festival. "The Best Friends' Rule," one of the selections included in *He and She*, was chosen from more than a hundred submissions for production at the Dubuque Arts One Act Play Festival.

She is currently working on turning her Vietnam era play, *Us of America*, into a musical and living happily with her shelter dog, Fosse, in Elmhurst where she also choreographs for and dances with The Tree Town Tappers.

The first session will consist of a lecture session, after which students will be given an assignment to take new pictures that will be reviewed during the second session. GENEVA PARK DISTRICT WAIVER AND RELEASE OF ALL CLAIMS

The Geneva Park District (the "Park District") is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for recreational activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Depending on the particular activity, certain risks and dangers may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unprofessional conduct, lack of safety equipment, inadequate or defective equipment, failure in supervision and instruction or officiating, and premises defects. It is impossible for the Park District to guarantee absolute safety.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in signing up and participating in the Program(s), you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with the program(s)/activity(ies) (including transportation services, when provided). I recognize and acknowledge that there are certain risks of physical injury to participants in the program(s)/activity(ies), and I voluntarily agree to assume the full risk of any injuries, damages or loss, regardless of severity that my minor child/ward or I may sustain as a result of participating in any and all activities connected with or associated with the program(s)/activity(ies). I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Park District, including its officials, agents, volunteers and employees (hereinafter collectively referred as "Parties"). I do hereby fully release and forever discharge the Parties from any and all claims for injuries, damages or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with the program(s)/activity(ies). I further indemnify and hold harmless the Park District. I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, my on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature. **PARTICIPATION WILL BE DENIED If the signature of adult participant or parent/guardian and date are not on this waiver.**

PHOTO/VIDEO DISCLAIMER: All participants permit the taking of photos and/or videos of themselves and their child/ward during Park District activities, programs, events, and use of parks and facilities for publication and use as the Park District deems necessary in marketing materials and social media avenues. Discipline Procedures

Please keep in mind, two verbal warnings will be given before becoming a first offense.

A warning letter will be sent home to a parent or guardian, or the participant if he or she is an adult, to be signed and returned. The parent/participant will also be called by the Program Instructor and/or Recreation Supervisor.

2nd Offense:

Suspension -- the participant will be suspended for three days following the offense. The parent/participant will be notified via the phone or upon parental pick-up and a written explanation will be sent home by the Recreation Supervisor.

In cases when a program only meets for one day, participants will be given two verbal warnings. If the behavior is not corrected after two warnings, the participant will be removed from the class.

Depending on the situation and the degree of the offense, the participant may be permanently dismissed from the program following the 1st, 2nd, or 3rd offense. There will be no refunds for days missed due to disciplinary infractions. NOTE: Parents of program participants are responsible for ANY damages caused by their child.

The facility, student/teacher ratio, and the nature of the program are considered when setting program registration minimums and maximums. Programs that do not meet the minimum number of registrants may be cancelled. Please refer to the Program Cancellation section for more information. Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate recreation supervisor.

Receipts
