Outdoor Ice Rink Information

Outdoor Ice Rink Information

The outdoor ice rinks are located near the Wheeler Park Maintenance Facility, 410 Wheeler Drive and in the grassy area next to Mill Creek Pool.

There will be two sheets of ice, one dedicated for general skating and one for hockey at Wheeler Park and an additional outdoor ice skating rink at Mill Creek Pool.

Special Reminders:

- Use of the rinks is free.
- All ice rinks are weather permitting.
- Bring your own skates (rentals are not available).
- Parking is available at both locations.

Directions:

To Wheeler Park - From Rt. 31, turn west on Stevens Street (South of Stone Creek Miniature Golf), and right on Wheeler Drive (just past the cemetery)

To Mill Creek Pool - From Fabyan Parkway, turn south onto South Mill Creek Drive, and turn left into Mill Creek Pool Parking lot, ice rink will located to the right of the pool.

ICE RINK STATUS

In order for the appropriate amount of ice to be prepared, the temperature has to remain at 20 degrees or below for at least 48 hours. Once we have reached those ideal conditions, the process of forming ice will begin and the enjoyment of skating will follow. Thank you for your patience.

Colored flags will be attached to the rink fences indicating the rink status. A green flag means the rink is open for skating; a yellow flag means the rinks are open, but to please use caution; a red flag means that the rink is closed and skating is not permitted.

For Ice Rink Status, download the Rainout Line mobile app, visit genevaparks.org and click on Weather Corner, or call 630-206-1174

Kids' Zone Before & After School Program

Program Philosophy

Kids' Zone provides opportunities for all participants to develop a positive self-image through experiences in a fun, friendly, structured and safe environment. Participants will develop their social skills through interaction and different activities including problem-solving, teamwork, and following basic directions.

This program creates a stimulating environment where children are able to choose their own activities and projects that allow them to learn and grow at their own rate. Our goal is to provide a program that strongly supports the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. "Character Counts" and benefits of a healthy lifestyle will be incorporated in all aspects of Kids' Zone.

A basic daily schedule will be followed that may include physical and team-building activities, arts and crafts, a daily snack and homework time. Schedules will vary based on needs of children and space available. Kids' Zone is available before school from 6:30 - 8:00 am and after school from 2:15 - 6:00 pm. (KW)

PARENT NOTES

Visit Kids' Zone at genevaparks.org to download Parent Manual, Forms, Newsletters, and Activity Calendar

Dispensing Medication Policy

Strict policies have been put in place regarding the dispensing of medication to participants. These policies must be followed if a participant is required to receive medication while in the program. This includes restrictions for any over the counter medications (including cough drops and pain relievers) and any prescription medication. **Parents/Guardians are required to complete a "Request to Administer Medication Form" for any and all medication to be administered to participants by Kids' Zone staff or by the participants themselves. This form requires a physician's signature.**

- All medication is required to be in the original container whose prescription label must include: patient's name, physician's name, name of pharmacy, medication and complete dosage information.
- Each day the proper dosage should be sent in the original container. If original container is not available, parent should try to obtain a new one from physician or pharmacy.
- Parent/Guardian must sign and complete a **Request to Administer Medication form**. This form requires a physician's signature.
- Medication will be stored in a secure area at temperature consistent with package instructions.
- Participants must have a medical release form for medication such as inhalers and Epi-pen.
- With the exception of Epi-pens and inhalers, only oral medicine may be administered. Staff may not dispense suppositories or shots (diabetic).

 The main parent/guardian whose signature is on the emergency form will be the only person allowed to make changes regarding attendance, add or remove authorized person from the emergency form or receive any information regarding billing and payments.

 **Please note: the main parent must grant permission to the secondary parent/guardian listed to have full access to participants enrollment status, access to change information, and schedule status.** Only people on your child's emergency form will be able to sign your child out of the program. Authorized pick-ups may include high school aged family/friends, however, they must be able to show a current photo ID.

Discipline Policy

It is our philosophy for discipline to teach participants to take responsibility for their own actions. We try to accomplish this through using specific directions, redirecting a child, positive reinforcements, motivation and leading by example. Since each participant has different ways of learning, several different methods may be used.

Extracurricular After School Activities

Children may take part in extracurricular activities held at their schools (scouts, clubs, etc.) To do this, a parent must notify the Site Coordinator in writing by completing an "Extracurricular Activity Form" for each activity the child will be attending. These forms are available at each site. The person in charge of the extracurricular activity is responsible for bringing the child back to Kids' Zone at the end of the activity.

Newsletter and Activity/Snack Calendar

A monthly newsletter and activity / snack calendar are available at your child's site and online at genevaparks.org. **Children with food allergies or restrictions are always welcome to bring their own snack.** We follow the District 304 allergy plan.

Homework Policy

There is 30 minutes of scheduled quiet time each day for homework. **Please note: it is not Kids' Zone's responsibility to ensure that any child does their homework.** The staff is happy to remind and encourage children to complete their homework, but staff will not force them to do so. Also, please note, our staff is not available to individually tutor children.

The Pirates of Penzance Jr. Directed by: Nora Wickman

Set sail with this classic comedy that boasts one of the most famous patter songs in musical theatre history. The wit and whimsy of Gilbert and Sullivan's classic score is suffused with a modern sensibility in The Pirates of Penzance Jr., a swashbuckling musical journey!

Set on the rocky coast of Cornwall, England, The Pirates of Penzance Jr. begins with a group of pirates who are celebrating the birthday of one of their own, Frederic, who has reached his 21st year. Finally having served the full length of his required time with the pirates, he decides to strike off on his own and become an upstanding citizen – which may even mean bringing the pirates to justice. Thus turns out to be a tricky prospect indeed, especially when Frederic's freedom is called into question!

Geneva Park District Foundation

Living Tree Program

Donate a tree in the name of someone special or in honor of a special occasion. Trees will be planted in one of our beautiful parks.

Extraordinary events including births, anniversaries, weddings, retirements and graduations could be commemorated through the Geneva Park District's Living Tree Program.

Prices for the trees range from \$250 to \$300, and include planting and maintenance. For the health of the trees, planting is done in the spring and fall.

A memorial plaque can be ordered and installed at an additional cost. Plaque prices begin at \$125. A bench can be installed along with, or in lieu of, a tree at an additional cost as well.

Donate a tree today!

Visit genevaparks.org, click on the Get Involved Tab, go to Living Tree Program and download the Living Tree Order Form.

Hawks Hollow Memorial Brick Program

Foster a legacy of environmental education and create a lasting impression at the Hawks Hollow Nature Playground with the purchase of a round or rectangular paver brick.

Pavers can be inscribed with an approved, personalized message that can include the names of loved-ones, businesses, and organizations, as well as important dates.

Purchasing a paver supports the Geneva Park District Foundation, a 501 (c) (3) not-for-profit organization and Peck Farm's mission to cultivate environmental education. Funds generated will be used to offset annual maintenance costs, allowing children to experience the wonder of Hawks Hollow for years to come.

Because pavers are made of natural and man-made materials, the colors can vary slightly from brick to brick and a fading of color is expected during the first few years. Bricks are installed in the order they are received.

Requests for placement in specific locations or sections are not allowed. Prices and availability are subject to change. Project done in cooperation with the Geneva Park District.

It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Depending on the particular activity, certain risks and dangers may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unprofessional conduct, lack of safety equipment, inadequate or defective equipment, failure in supervision and instruction or officiating, and premises defects. It is impossible for the Park District to guarantee absolute safety.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Park District, including its officials, agents, volunteers and employees (hereinafter collectively referred as "Parties"). I do hereby fully release and forever discharge the Parties from any and all claims for injuries, damages or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with the program(s)/activity(ies). I further indemnify and hold harmless the Park District. I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. Discipline Procedures

Please keep in mind, two verbal warnings will be given before becoming a first offense.

A warning letter will be sent home to a parent or guardian, or the participant if he or she is an adult, to be signed and returned. The parent/participant will also be called by the Program Instructor and/or Recreation Supervisor.

2nd Offense:

Suspension -- the participant will be suspended for three days following the offense. The parent/participant will be notified via the phone or upon parental pick-up and a written explanation will be sent home by the Recreation Supervisor.

In cases when a program only meets for one day, participants will be given two verbal warnings. If the behavior is not corrected after two warnings, the participant will be removed from the class.

Depending on the situation and the degree of the offense, the participant may be permanently dismissed from the program following the 1st, 2nd, or 3rd offense. There will be no refunds for days missed due to disciplinary infractions. NOTE: Parents of program participants are responsible for ANY damages caused by their child.

Errors/Typos in Brochure

We apologize for any inconvenience this may cause. When errors do occur, our staff will advise you of the changes as quickly as possible. We will also attempt to keep information on our website, genevaparks.org, as current as possible. Thank you for your patience and understanding.

If you and your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

Program Cancellation Information

Program supervisors begin reviewing class enrollment and canceling classes that do not meet minimum enrollment approximately ONE WEEK prior to the class start date. It is extremely important that you try to register for class choices no later than one week before they begin. All participants registered in cancelled programs will be notified by the Geneva Park District staff and will receive a full refund.

Program Limitations

Each program at the Geneva Park District has an established minimum and maximum number of possible registrants. These numbers are set to guarantee the highest quality program we can offer. The facility, student/teacher ratio, and the nature of the program are considered when setting program registration minimums and maximums. Programs that do not meet the minimum number of registrants may be cancelled. Please refer to the Program Cancellation section for more information. Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate recreation supervisor.

Receipts

We send registration confirmations via email! Please ensure that we have your current email address on file. Your email receipt will act as the only form of confirmation for your registration. If we encounter a problem with your registration, you will receive a phone call.

Refund Policy

1. An Application for Refund form must be submitted for all refunds. Refund requests must be submitted 10 days prior to the first class meeting date.
2. All refund requests will be assessed a service charge of \$3 or 10%, whichever is less, with a minimum charge of \$1.
3. The Refund Policy does not apply to: "nonrefundable" trip tickets, unless the Park District is able to resell tickets; Preschool Program deposits, unless the class space can be filled prior to the start of the program; contracted classes, unless a replacement can be found. Refunds will not be granted for Fitness Memberships for any reason after one month from the start date. Pool passes are non-refundable. Kidz Korral punch cards and memberships are non-refundable. Placement on a waiting list is encouraged. Individuals placed on a waiting list will be contacted if any additional program space becomes available.

Waiver Form

The Park District is unable to assume responsibility for injuries or accidents occurring at programs, activities, parks, and facilities. Such insurance would make program user fees prohibitive. TRI-CITIES SOCCER

TEAM • COMMUNITY • SUCCESS

The **Tri-Cities Soccer Association (TCSA)** was founded in 1977 to provide a fun and healthy environment for area youth, from 4-18 years old, to play soccer. Today, it has grown to be one of the largest independent youth soccer organizations in Northern Illinois with great support from the local park districts. We offer families three levels of participation: **RECREATIONAL**, **CLASSIC** and **PREMIER**.

Get started in early childhood by joining our **HAND IN HAND** program, TCSA's pre-school recreational program for 4-5 year old participants. **RECREATIONAL** team play begins in our U6 division (kindergarten) where small sided games ensure a positive learning experience and lots of time with the ball.

For more information on TCSA's offerings, please visit our website at www.tcsa.net, or call **630.377.1101**.
